ALL MY LIFE
1004 - 1
Sing Like KENNY ROGERS
Range: E4-G5 • Key: C • 8 Bar Intro

Are you sure I haven't loved you
Somewhere before
In another time, another place
Or some distant shore?
You know me so well
Better than I know myself

Chorus:
And you've loved me tonight
Like you've loved me all my life
All of my life
And with a touch of your hand
You took me farther than I've ever been
You loved me like
You've loved me all my life

Love like we made
Could have taken a lifetime to find
But you found the way to my heart
In a moment of time
You know how to care
Just like you've always been there
Just like you've always been there

(CHORUS)

(6 Bar Guitar Solo)

And with a touch of your hand
You took me farther than I've ever been
You loved me like
You've loved me all my life
You loved me like
You've loved me all my life

ALWAYS ON MY MIND
1004 - 2
Sing Like WILLIE NELSON
Range: B3-B4 • Key: D • 2 Bar Intro

Maybe I didn't love you
Quite as often as I could have
And maybe I didn't treat you
Quite as good as I should have
If I made you feel second best
Girl, I'm sorry I was blind
You were always on my mind
You were always on my mind

And maybe I didn't hold you
All those lonely, lonely times
And I guess I never told you
I'm so happy that you're mine

Chorus:
Little things I should have said and done
I just never took the time
You were always on my mind
You were always on my mind

Tell me, tell me that your sweet love hasn't died
Give me, give me one more chance
To keep you satisfied, I'll keep you satisfied

(CHORUS)

You were always on my mind
You were always on my mind

THE CLOSER YOU GET
1004 - 3
Sing Like ALABAMA
Range: C4-E5 • Key: G • 6 Bar Intro

Chorus:
The closer you get, The further I fall
I'll be over the edge now In no time at all
I'm falling faster And faster and faster
With no time to stall
The closer you get, The further I fall

Could I be dreaming?
Is this really real?
'Cause there's something magic
The way that I feel
In your arms tonight

(CHORUS)

Keep falling, Oh ya, I'm falling
Ya, I'm falling, Oh ya, I'm falling
Yes, I'm falling
Yes, I'm falling, Yes, we're falling

(CHORUS)

LADY
1004 - 4
Sing Like KENNY ROGERS
Range: D4-F5 • Key: Dm • 2 Bar Intro

Lady
I'm your knight in shining armor
And I love you
You have made me what I am
And I am yours

My love
There's so many ways I want to say
I love you
Let me hold you in my arms
Forever more

You have gone
And you made me such a fool
I'm so lost in your love
And oh, we belong together
Won't you believe in my song?

Lady
For so many years
I thought I'd never find you
You have come into my life
And made me whole

Forever
Let me wake to see you
Each and every morning
Let me hear you whisper
Softly in my ear

In my eyes
I see no one else but you
There's no other love like my love
And yes, oh yes
I'll always want you near me
I've waited for you For so long

Lady,
Your love's The only love I need
And beside me Is where I want you to be
'Cause my love
There's something I want you to know
You're the love of my life
You're my lady

STRANGER IN MY HOUSE
1004 - 5
Sing Like RONNIE MILSAP
Range: D4-F5 • Key: Dm • 8 Bar Intro

There's a silence here between us
I've never heard before
And I can't find the love
In her eyes anymore
There's some changes going on
I'm beginning to understand
When I'm holding her
I swear I feel The presence of another man

Chorus:
There's a stranger In my house
Somebody here that I can't see
A stranger in my house
Somebody here trying
To take her away from me

(4 Bar Instrumental)

She sits staring out the window
A million miles away
And when I asked if she's all right
She never has too much to say
Is it somebody we both know
Or somebody she just met?
Is she loving him in her mind
While she's lying here in my bed?

(CHORUS)

(8 Bar Instrumental)

Suspicions lead to questions
And questions to alibis
Is it just my imagination
Or has her love turned into lies?

(CHORUS)

GALILEO
#1034 - 1
Sing Like AMY GRANT
Range: G3-E5 • Key: Gb • 12 Bar Intro

In the year of fourteen ninety-two
When Columbus sailed the ocean blue
Had he landed on India's shore
You might never have come
To knock on my door

Chorus:
Who needs a rhyme or a reason
Some dreams were made to find
So I know that I must follow
Ask me just how much I love you
You are starlight, I'm Galileo
Even on the darkest night, oh
I will find the shining light of our love

Through the rain clouds, thundering nights
Mr. Franklin stood there holding his kite
He was crazy, always pressing his luck
But he got what he wanted
When lightning struck, yeah

(CHORUS)

Ask me just how much i love you
You are starlight; I'm Galileo
Even on the darkest night, oh
I will find the shining light of our love

I believe in you and
The special love we could share
And maybe one day, darling
You'll turn around

And all I really know is I will be there

(CHORUS)

Even on the darkest night, oh
I will find the shining light of our love

GOOD FOR ME
#1034 - 2
Sing Like AMY GRANT
Range: C4-E5 • Key: F • 8 Bar Intro

You like to dance and listen to the music
I like to sing with the band
You like your hands splashing in the ocean
Well i like me feet on the sand
Does anybody have it any better
Isn't it easy to see just how well we fit together

Chorus:
When I start to sing the blues
You pull out my dancing shoes
i think you could be so good for me
You get brave when I get shy
Just another reason why
i think you could be so good for me

So good

You like to drive like Mario Andretti
I like it taking my time
But let me say wherever you are going
You know it suits me just fine
Does anybody have it any better
Isn't it easy to see just how well we fit together

(CHORUS)

Could be so good for me
You could be so good
Could be so good
Could be so good for me

You get brave when I get shy
Another reason why
You could be so good for...
Good for me baby
Good for me baby
When I want to sing the blues
Good for me baby
Oh when I want to sing the blues
Good for me baby
Too good, you're so good
Good for me baby

MacARTHUR PARK
#1034 - 3
Sing Like DONNA SUMMER
Range: C4-B5 • Key: C • 2.5 Bar Intro

Spring was never waiting for us, girl
It ran one step ahead
As we followed in the dance

(6 Bar Instrumental)

Between the parted pages
And were pressed in love's hot fevered iron
Like a striped pair of pants

(6 Bar Instrumental)

Chorus:
MacArthur's Park is melting in the dark
All the sweet green icing flowing down
Someone left the cake out in the rain
I don't think that I can take it
'Cause it took so long to bake it
And I'll never have that recipe again, oh, no

(14 Bar Instrumental)

I recall the yellow cotton dress
Foaming like a wave
On the ground around your knees
The birds like tender babies in your hands
And the old man playing chinese checkers
By the trees

(CHORUS)
There will be another song for me

SOLITAIRE
#1034 - 4
Sing Like LAURA BRANNIGAN
Range: E3-C5 • Key: A • 8 Bar Intro

I still remember how much
I used to need you
Tried so much to please you
But you didn't need me
You knew I loved
You knew I always would be there
You just did what you wanted
You didn't care

All the cards were held by you
There was nothing I could do
All those nights I sat alone
Staring at the telephone
Wondering were you ever coming home

Solitaire, it's just so lonely
Solitaire, no one to hold me
Where were you when I played solitaire

It took some time
But i stopped thinking about you
Started living without you
Now look who's back here
You've had a change of heart
Well, mine just couldn't wait, no, no
You found out you loved me just a little too late
Once the cards were held by you
There was nothing you could do
All those nights you sit alone
Starin' at the telephone
Wondering if I'm ever comin' home

For I will sing it
There will be another dream for me
Someone will bring it
I will drink the wine while it is warm
And never let you catch me looking at the sun
And after all the loves of my life, oh
After all the loves of my life
You'll still be the one

I will take my life into my hands and I will use it
I will win the worship in their eyes
And I will lose it
i will have the things that i desire
And my passions flow like rivers to the sky
And after all the loves of my life
Oh, after all the loves of my life
I'll be thinking of you and wondering why

(13 Bar Instrumental)

(CHORUS)

Written by J. Webb

Chorus:
Solitaire, see what it's like now
Solitaire, to cry all night now
Solitaire, see how it feels to play
Solitaire, it gets so lonely
Solitaire, you wanna hold me
Don't wait up
'Cause babe I won't be there
Solitaire, solitaire, solitaire

WHAT HAVE YOU DONE FOR ME LATELY
#1034 - 5
Sing Like JANET JACKSON
Range: G3-C5 • Key: Ebm • 8 Bar Intro

Used to be a time
that you would pamper me
You still brag about it all the time
Your friends seem to think
That you're so peachy keen
But my friends think neglect is on your mind
Who's right

Chorus:
What have you done for me lately
Oo, oo yeah
What have you done for me lately
Oo, oo yeah

Used to go to dinner almost every night
Dancin' till I thought I'd lose my breath, ah
Now it seems your dancin' feet
Are always on my couch
Good thing I cook or else
We'd starve to death
Ain't that a shame

(CHORUS)

I never ask for more than I deserve
You know that's the truth
You seem to think you're
God's gift to this earth, o way

Spoken:
You ought to be thankful for the little things
But little things are all you seem to give
You're always putting off
What we could do today

Soap op'ra says
"You've got one life to live"
Who's right
Who's wrong

(CHORUS)

#1042-1
Sing Like PAULA ABDUL
Range: F3-B4 • Key: E • 2 Bar Intro

Oo, na na na, na na na
Oo, na na na
You're the whisper of a summer breeze
You're the kiss that puts my soul at ease
What I'm saying is, "I'm into you"
Here's my story, and the story goes
You give love, you get love
And more than heaven knows

Chorus:
You're gonna see. I'm gonna run
I'm gonna try
I'm gonna take this love right to ya
All my heart, all the joy
Oh, baby, baby, please
Hurry, hurry, lover come to me
I wanna see
I wanna see ya get free with me
I can feel it, I can feel you all through me
Ooh, what you do to me

All I want from you is what you are
And even if you're right next to me
You're still too far away
If I'm not inside your arms
I get dramatic baby, yes, I know
I need you, I want you
Ooh man, I love you so

(CHORUS)

Hurry, hurry, lover come to me
I wanna see
I wanna see ya get free with me
I can feel it, I can feel you all through me
Ooh, what you do to me

When you kiss me up and down
You turn my senses all around
Oh, baby, oh, baby
I don't know just how or why
No one else has touched me so deep
So deep, so deep inside

(8 Bar Instrumental)

(CHORUS)

Hurry, hurry, baby come to me
I wanna see
I wanna see ya get free with me
I can feel it, I can feel you all through me
Ooh, what you do to me

#1042-2
Sing Like OLETA ADAMS
Range: F3-A4 • Key: Bb • 5 Bar Intro

You can reach me by railway
You can reach me by trailway
You can reach me on an airplane
You can reach me with your mind
You can reach me by caravan
Cross the desert like an Arab man
I don't care how you get here
Just get here if you can

You can reach me by sailboat
Climb a tree and swing rope to rope
Take a sled and slide down slope
Into these arms of mine
You can jump on a speedy colt
Cross the border In a blaze of hope
I don't care how you get here
Just get here if you can

There are hills and mountains between us
Always something to get over
If I had my way
Surely you would be closer
I need you closer

(Instrumental Break)

There are hills and mountains between us
Always something to get over
If I had my way
Surely you would be closer
I need you closer

You can windsurf into my life
Take me up on a carpet ride
You can make it in a big balloon
But you better make it soon
You can reach me by caravan
Cross the desert like an Arab man
I don't care how you get here
Just get here if you can
I don't care how you get here
Just get here if you can

I'M NOT IN LOVE
#1042-3
Sing Like WILL TO POWER
Range: C4-D5 • Key: E • 8 Bar Intro

I'm not in love, so don't forget it
It's just a simple phase I'm goin' through
And just because I call you up,
Don't get me wrong
Don't think you've gotten me
I'm not in love, oh no

I'd like to see you, but then again
That doesn't mean you mean that much to me
So if I call you, don't make a fuss
Don't tell your friends about the two of us
I'm not in love, no, no

Ooh, you wait a long time for me
Ooh, you wait a long time

(Instrumental Break)

Ooh, you wait a long time for me
Ooh, you wait a long time

I keep your picture upon the wall
It hides a messy stain that's lyin' there
But don't you ask me to give it back
I know you know
It doesn't mean that much to me
I'm not in love, I'm not in love

LOVE WILL NEVER DO WITHOUT YOU
#1042 - 4
Sing Like JANET JACKSON
Range: F3-F5 • Key: Ab • 14 Bar Intro

Our friends think we're opposites
Falling in and out of love
They all said we'd never last
Still, we manage to stay together
There's no easy explanation for it
But whenever there's a problem
We always work it out somehow
Work it out somehow

Chorus:
They said it wouldn't last
We had to prove 'em wrong
'Cause I've learned in the past
That love would never do without you

(4 Bar Instrumental)

Other guys have tried before
To replace you as my lover
Never did I have a doubt
Boy, it's you I can't do without
I feel better when I have you near me
'Cause no other love around has quite the same
Oo, oh, like you do, do, do, babe

(CHORUS)

Do without you, love will never do without you
Ooh, do without you

(3 Bar Instrumental)

They said it, they said it wouldn't last
They said it, they said it wouldn't last
They said it, they said it wouldn't last
They said it wouldn't last
Love will never do
Love will never do without you

WHERE DOES MY HEART BEAT NOW
#1042-5
Sing Like CELINE DION

Range: F3-D5 • Key: Bb • 4 Bar Intro

So much to believe in, we were lost in time
Everything I needed I felt into your eyes
Always thought of keepin' your
Heart next to mine
But now that seems so far away
Don't know how love could leave
Without a trace

Where do silent hearts go
Where does my heart beat now
Where is the sound
That only echoes through the night
Where does my heart beat now
I can't live without, without feeling it inside
Where do all the lonely hearts go

Candle in the water, drifting helplessly
Hiding from the thunder, come and rescue me
Driven by the hunger of the endless dream
I'm searchin' for the hand that I can hold
I'm reachin' for the arms that let me know

Where do silent hearts go
Where does my heart beat now
Where is the sound
That only echoes through the night
Where does my heart beat now
I can't live without
Without feeling it inside
Where do all the lonely hearts go
Where do all the lonely hearts go

(4 Bar Instrumental)

Then one touch overcomes the silence
Love still survives
Two hearts a needing one another
Give me wings to fly

Where do silent hearts go
Where does my heart beat now
Where is the sound
That only echoes through the night
Where does my heart beat now
I can't live without
Without feeling it inside
Where do all the lonely hearts go

I need someone to give my heart to
I feel it getting stronger, stronger, stronger

CDG = MUSIC & LYRICS

The 'G' stands for 'Graphics', meaning that, when played on a CDG karaoke player, the song lyrics are displayed on a TV screen and highlighted as you sing. Don't have a CDG player? The disc plays just like any other CD on a regular CD player. Just read the words from the printed lyric book (included).

PERFORMANCE & REHEARSAL TRACKS

This Priddis Music CD includes two versions of every song; a full stereo performance track (no singer), and a rehearsal version (with singer). In the rehearsal version, the reference vocal is on the right channel of the recording and can be turned on and off with a balance, 'multiplex', or similar control on your player.
